G.O.MS.No. 22 Dated 24.06.2015
Read

ORDER:

Swacch Bharat Mission is a program conceptualized by Government of India (GoI) to ensure cleanliness as a way of life is promoted in India. Government of Andhra Pradesh recognised the importance of this mission and has set up a Project Monitoring Unit (PMU) for Swacch Andhra Mission vide **G.O.RT.No.201, dated 27.03.2015** and directed Municipal Administration & Urban Development (MAUD) department to supervise Swacch Andhra Mission.

The success of Swacch Andhra Mission is linked to efficient disposal of Municipal Solid Waste. In Andhra Pradesh, nearly 8,000 tonnes of MSW is generated every day but the disposal mechanism of this huge amount of MSW is not developed and faces numerous challenges. Some of these challenges include non-availability of land, lack of processing facilities to recycle waste, health hazards in disposing MSW, air and water pollution etc. Conversion of MSW to Energy is an effective way of utilising MSW to generate energy. It has dual benefits of effective disposal of MSW and generation of energy.

Government of Andhra Pradesh, in view of the emphasis given by the National Action Plan on Climate Change (NACPP) on MSW processing; emphasis given by the Electricity Act, 2003 and National Tariff Policy, 2006 on promotion of MSW to Energy projects and twin benefits from MSW to energy projects of MSW disposal and Electricity generation (thereby reducing dependence on coal and gas as fuel) has decided to promote MSW to Energy projects in Andhra Pradesh by setting up such projects for an aggregate capacity of 130 MW at locations identified by MAUD Department. APDISCOMS would select project developers for the identified locations through a competitive bidding process.

Government, after careful examination of the matter, hereby constitute the following core committee for monitoring waste to energy projects based on municipal solid waste in Andhra Pradesh under bidding process.

1. Principal Secretary to Govt., M.A.&U.D. Department
2. Secretary to Govt., Energy, I&I Department
3. Advisor, Energy Department
4. Chairman & Managing Director, APSPDCL
5. Chairman & Managing Director, APEPDCL
6. V.C. & M.D., NREDCAP
7. Managing Director, Swachh Andhra Corporation.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
